

# USING SYMBOLS AND EXPRESSIONS TO THINK MATHEMATICALLY— SET 2

**A** Record equations for simple addition and subtraction problems

Connecting addition problems to equations

3 dogs and 2 cats

$$3 + 2 = 5$$

Connecting subtraction problems to equations

4 apples 1 gets eaten

$$4 - 1 = 3$$

**B** Can create problems from simple addition subtraction problems.

Connecting addition equations to problems

$$2 + 2 =$$

2 stars and 2 hearts

Connecting subtraction equations to problems

$$5 - 2 =$$

5 dogs and 2 are hiding
